[20:58] <yolodopper> cheer10 i think they are trying to target that hardcore dark soul demographic to their games
[20:58] <jv5_guy> none of us expected it so it was unique
[20:58] <neospartanhesperos9> It's not a dark souls stage, it's just a ruined castle with cloudy skies, dude ResidentSleeper
[20:58] <i_came_here_to_something> @majinboo3 You have to be a moron
[20:58] <extracheeez> you haven't seen bullshit till you've seen some of the sunshine bonus levels oh man

[20:58] <howlingwolfjoey> @Vashyoyo im gonna keep slapping you you know?

[20:58] <extracheez> yeah vash champions road tops em all :/

[20:59] <majinboo3> Phil has completed every dark souls game multiple times and even he is finding this level BS

[20:59] <jv5_guy> complaining is waisting your time

[20:59] <majinboo3> i think this proves something

[20:59] <vashyoyo> lool for telling the truth ? go ahead

[20:59] <i_came_here_to_something> Man how were you able to play Ninja Gaiden back in the day but can't manage this. It's easy by comparison to that game.

[20:59] <obeychuy89> lmao

[20:59] <darkslayergod> LOL

[20:59] <vashyoyo> nah this just proves he has no time he wants to get done with video games

[20:59] <eldeadmariachi> lol Yeah phil wouldn't even beat the first level on master Ninja

[21:00] <the_elusiveone45> lol

[21:00] <infinite_55> :D

[21:00] <litterial> So Champion's Road is harder than The Perfect Run from Galaxy 2?

[21:00] <veramer> why dont they make more dark souls games intstead of puting it into kids games

[21:00] <kushiyakitori> why not do that then

[21:00] <darthradovanviking> hahahaha

[21:00] <obeychuy89> poorly made

[21:00] <jv5_guy> ok @ phil do that then come back to this

[21:00] <extracheez> there is a frog skip for the whole level yes

[21:00] <lestertheunlikely13> Anything for the dollars

[21:00] <majinboo3> SHIT game design

[21:00] <poopshortsjr> Relax Phil. You're rushing it.

[21:00] <neospartanhesperos9> Phil, you'll do it so many... Damn... Times... Doing the same stage... That you'll have a fantastic perfect run at the end CoolStoryBob

[21:00] <the_elusiveone45> "Badly designed" lmao salt is real

[21:00] <eldeadmariachi> Nintendo finally add some challenge to Mario and now is shit. i don't get it

[21:00] <suzakurebellion> hey phil, there a glitch you can do with the frogs an the frog can swim in the air so i skipped the entire level, the way to make this glitch work, you become the frog an jump an then land on the other frog while it jumps an get out an become the other frog an you'll be glitched in the air so you can make it without doing this whole level.

[21:00] <calqlus101> Phil could at least do Glydon skip

[21:00] <extracheez> yeah you can but it's super super cheese StinkyCheese and a bug

[21:00] <howlingwolfjoey> i bet phil is not gonna get this game an outrageous 10/10(thank god)

[21:01] <i_came_here_to_something> @elDeadMariachi You're not supposed to get it. Only Phil's supposed to get it. It's Phil logic.

[21:01] <vashyoyo> people complained this game was easy Kappa

[21:01] <i_came_here_to_something> Oh boy, cheat time

[21:01] <jv5_guy> take notes then

[21:01] <lestertheunlikely13> Isnâ€™t this on easy mode?

[21:01] <the_elusiveone45> You can skip an entire section when flying by shaking the controller repeatedly

[21:01] <neospartanhesperos9> copy paste that shit LUL

[21:01] <deepdrive3254> its not an easy glitch to pull off

[21:01] <eldeadmariachi> @i_came_here_to_something Yeah Phil doesn't understand

[21:01] <infinite_55> Wow

[21:01] <i_came_here_to_something> This is gonna be like the bridge thing from Crash 2 all over again

[21:01] <kozatof> You do that glitch Iâ€™ll be disappointed philbert

[21:01] <extracheez> the frog glitch is kinda hard I honestly couldn't do it

[21:02] <majinboo3> Lets see if he can glitch this shit

[21:02] <neospartanhesperos9> Phil's worse enemy, a glitch, will be his best friend in the end LUL

[21:03] <justjoined83> Donâ€™t forget th heart

[21:03] <voodookillz> XD

[21:03] <jv5_guy> nintendos fault for leaving glitches in the game

[21:03] <beatles12335> Phil, this isnt fair. One OPTIONAL experiance shouldnt ruin the game for you

[21:03] <neospartanhesperos9> OSfrog

[21:03] <jv5_guy> inb4 patches

[21:03] <suzakurebellion> it takes a few takes to do this glitch but trust me, you'll be glad you do this, instead of wasting time.

[21:03] <i_came_here_to_something> Miyamoto didn't design this level

[21:03] <infinite_55> Lol, thatâ€™s what you get for rushing and cheezing the game

[21:03] <majinboo3> Miyamoto can suck my DICK

[21:03] <jv5_guy> lul

[21:03] <sanvilla93> did he just rage quit?

[21:04] <poopshortsjr> Miyamoto doesn't design levels anymore.

[21:04] <eldeadmariachi> if a game is fun then is not challenging. If the game is challenging then is not fun the reward is perseverance and prove your skills

[21:04] <jv5_guy> youtbe exists lul

[21:04] <vashyoyo> miyamoto disappointed

[21:04] <extracheez> you should check out a quick youtube video of this first

[21:04] <i_came_here_to_something> @suzakurebellion It's a waste of time to play the game legit on your initial playthrough? Shouldn't a frog glitch be used for speedrunning after you've actually beaten it the first time legit?

[21:04] <neospartanhesperos9> Someone who knows, fucking repeat the glitch message again

[21:04] <kozatof> Unreal

[21:04] <admiralprawn> They fixed the glitch.

[21:04] <majinboo3> its very precise timing

[21:04] <yolodopper> cheer10 hey phil have you ever used ebay? i just got scammed by someone because they returned me an empty box, dont sell your statues on ebay!

[21:04] <calqlus101> Rage coming again shortly...

[21:04] <kozatof> @extracheeez you ruin the fun
[21:04] <calqlus101> It is not patched
[21:04] <suzakurebellion> it takes a few takes to do it.
[21:05] <neospartanhesperos9> @yolodopper you fucked up, lmfao, lets laugh at you LUL
[21:05] <kozatof> Feelsbadman
[21:05] <infinite_55> Yeah they patched it!

[21:05] <paddingtonbear187> InuyoFace
[21:05] <poopshortsjr> You're trolling by saying it's patched.
[21:05] <admiralprawn> I never said they patched it, I said they uh, they 'fixed the glitch'.
[21:05] <caper_three> not doing it right
[21:05] <msdbzbabe> You'll know when the glitch works if the frog is swimming in air, when that happens don't jump, just go straight to the building
[21:05] <majinboo3> just look up a video like you did for spyro then you will understand
[21:05] <kozatof> You people actually want phil to glitch this ?
[21:05] <poopshortsjr> I mean by saying it's not patched.
[21:05] <eldeadmariachi> Boy you can clearly see Phil is pissed
[21:05] <kozatof> Laughable
[21:05] <lestertheunlikely13> It's patch play fair and git gud
[21:05] <voodookillz> yeah only to see if he can do it
[21:05] <kozatof> People actually want phil to glitch instead of beating it
[21:05] <voodookillz> XD
[21:05] <jv5_guy> look it up
[21:05] <i_came_here_to_something> So this is modern gaming: You don't have the skill to play it honestly? Just find a cheat and exploit the fuck out of it. SMH.
[21:06] <killmyself> @kozatof whats the point if he has no fun on the final stage
[21:06] <gutty333> hello
[21:06] <kozatof> Hm
[21:06] <vashyoyo> casual gamers man
[21:06] <majinboo3> Yes you switch once then switch back
[21:06] <caper_three> jump high, de morph. and land on the other frog as it jump and morph into it
[21:06] <kozatof> Let me wonder
[21:06] <kozatof> People actually want phil to glitch instead of beating it
[21:06] <jv5_guy> i mean yeah if exploits exist abuse them
[21:06] <paddingtonbear187> shieeeeet
[21:06] <the_elusiveone45> Just take the L Phil, and move on.
[21:06] <poopshortsjr> Finding cheats has always been part of gaming.
[21:06] <soliddave> you have to jump with the first frog then capture the 2nd frog as its jumping
[21:06] <infinite_55> It's patched, those who's saying it's not are trolling!!
[21:06] * neospartanhesperos9 one hour later, still getting the glitch LUL

[21:06] <vashyoyo> yeah take the L
[21:06] <veramer> whats this trash ass music
[21:06] <admiralprawn> If only you could glitch your way through Dark Souls.
[21:06] <msdbzbabe> You got to let the other frog jump first
[21:06] <eldeadmariachi> @i_came_here_to_something This is what I hate about modern gaming and gamers. apparently everything should be easy
[21:06] <darkslayergod> Only casual cod fans think that
[21:06] <msdbzbabe> I believe
[21:06] <kozatof> So letâ€™s watch phil try to do some dumb glitch just for him to gloat
[21:06] <ass_blastor> cheer10 At the peak of your jump, get out of the frog and try to capture the other frog while its jumping
[21:06] <poopshortsjr> Christmas music.
[21:06] <mujtaba12321> jump on the frog 3 times in a row while its in the air and shake your controller
[21:07] <majinboo3> i have the link for the video but i cant post link
[21:07] <dolanpls01995> um what is he trying to do?
[21:07] <justjoined83> This is harder than the actual level
[21:07] <vashyoyo> take the L and lets go to other world or just end the game LoL
[21:07] <lestertheunlikely13> Mario like PokÃ©mon is for kids. You a grown man, canâ€™t beat it lol
[21:07] <extracheeez> cheer50 <https://www.youtube.com/watch?v=QuCvYyFJ67Y&t=37s>
[21:07] <nightbot> Extracheeez -> Please don't post links. [warning]
[21:07] <infinite_55> You could have beat the game already
[21:07] <jv5_guy> so basically capture , mario, capture again
[21:07] <kozatof> People actually want phil to glitch instead of beating it People actually want phil to glitch instead of beating it
[21:07] <extracheeez> hopefully the link made it through the cheer :)
[21:07] <neospartanhesperos9> AT THE PAK
[21:07] <majinboo3> ??? that wasnt the high of his jump
[21:07] <neospartanhesperos9> PEAK
[21:07] <i_came_here_to_something> @elDeadMariachi It's why most reviewers suck, and why gamers say anything beyond their skill level is "bad game design". Now they want to push this bullshit "QoL" mechanics on developers to make games more "accessible". If a game's too hard for someone, they should just find an easier game to play.
[21:07] <admiralprawn> Jump up don't be scared.
[21:07] <drloverocket> lame
[21:07] <killlmyself> @kozatof you already said that.
[21:07] <gutty333> so you guys don't want him to beat it? The message at the end is a fitting conclusion. So sad
[21:08] <kozatof> @killlmyself yeah
[21:08] <sanvilla93> he can even glitch correctly. thats sad phil
[21:08] <yodog268> look at a youtube video
[21:08] <poopshortsjr> Search how to do it on YouTube, Phil.
[21:08] <jv5_guy> its the timing thst will get you

[21:09] <eldeadmariachi> @i_came_here_to_something Exactly. I love playing games like Uncharted on crushong, Ninja Gaiden in Master Ninja, qnd other games on the hardest difficult etc. I love the challenge and prove my skills.

[21:11] <i_came_here_to_something> @elDeadMariachi What I really hate are gamers who go around saying old games suck b/c they're too hard for them. A game being too hard for someone doesn't mean it sucks. And a game that isn't challenging is usually less engaging in keeping the player active with the game mechanics.
[21:11] <thatanonybear> i enjoyed it lol
